Here you can find the [menu of Breakfast Hut](#) in Nelson. At the moment, there are **24** meals and drinks on the card. The Breakfast Hut, formerly known as Front Street Burger & Breakfast, has undergone new ownership and a transformation that has elevated it to a charming little breakfast spot that comes highly recommended. The service is excellent, and the lunch menu is delicious. Guests have raved about the organic eggs, the quick service, and the hot and tasty meals. Although there have been some negative experiences with cold coffee, dirty tables, and poor communication resulting in wrong orders, the overall consensus is positive. With affordable prices, friendly staff, and enticing menu options like eggs Benedict and veggie burgers, the Breakfast Hut in Nelson is definitely worth a visit for a delightful breakfast or lunch experience.
