A comprehensive [menu](https://menuweb.menu) of Pita Pita Plus from London covering all 26 courses and drinks can be found here on the card. Pita Pita Plus in London offers delicious shawarma wraps made by the owner or his son. However, inconsistent wait times and subpar quality from other workers can hinder the overall experience. The staff has been known to show kindness, as experienced by a customer who brought a homeless man in for a meal. While the food is fresh and tasty, improvements such as a more organized ordering process and better quality control could enhance the dining experience. Despite some flaws, this popular spot is highly recommended for those looking for good food and friendly service.
