On this homepage, you can find the **complete [menu](https://menuweb.menu)** of **L'Amour du Pain** from Boucherville. Currently, there are **26** dishes and drinks available. L'Amour du Pain, once a standout bakery, has seen a decline in the quality of their products following a change in ownership. Some items like the pear chocolate danish have been disappointing, although classics like croissants are still good. While the service and coffee are hit or miss, there are still standout items like the 'poirier' pastry. The business has faced a hygiene fine, but appears to be clean. Despite these setbacks, the bakery offers a variety of fresh and delicious products, though sometimes service can be slow due to high customer volume. Overall, L'Amour du Pain remains a neighborhood favorite for its French pastries and breads.
