Here you can find the [menu](#) of **Smoke's Poutinerie** in Niagara Falls. At the moment, there are **29** courses and drinks on the menu. Toronto's Smokes restaurant offers a mixed poutine experience - some loved the authentic cheese curds and friendly service, while others found the thyme-heavy gravy overpowering and the overall experience disappointing. Despite inconsistent hours and subpar side dishes like perogies, the variety of poutine options and reasonable prices keep regulars coming back. For a true Canadian poutine experience and fresh cuts, some suggest trying Harvey's instead. Overall, while some were wowed by unique flavor combinations like chicken, bacon, and ranch, others found the restaurant's offerings hit or miss. With dedicated staff and a central location, Smokes remains a go-to for a classic Canadian comfort food fix.
