Here you can find the [menu](#) of Lick's in Parry Sound. At the moment, there are **30** dishes and drinks on the card. Nestled along the autobahn, this restaurant evokes mixed feelings among patrons. While some reminisce about its glory days, others express disappointment with the quality of burgers and side dishes like fries and onion rings, often finding them cold, tasteless, or overcooked. The service remains average, and although prices hint at better fare, many customers leave unsatisfied, regretting their meal choice. However, a loyal clientele appreciates the large portions, friendly staff, and the drive-thru convenience. For those seeking a solid burger experience, a visit may be hit or miss, yet it retains nostalgic charm for some who frequent this once-thriving chain.
