On this homepage, you can find the **complete [menu](#) of Lazy Monkey** from Calgary. Currently, there are **31** courses and drinks available. Lazy Monkey, a Taiwanese restaurant popular among students, offers authentic food in a small, dated setting. The service is known to be lackluster, but the dishes like pineapple chicken and beef court are surprisingly delicious. The bubble teas, though not special, are satisfying. The fried chicken hearts and kidneys are a must-try. The jasmine green milk tea and Chinese snacks are favorites. The staff may lack experience, but the food quality makes up for it. Despite the simple interior, Lazy Monkey remains a popular spot for quick meals and bubble teas. The Taiwanese fried chicken and bubble teas are highly recommended.
