On this webpage, you can find the **complete [menu](#) of Cured Delicatessen** from Calgary. Currently, there are **31** meals and drinks up for grabs. A recent visit to this deli brought mixed experiences. Some reviewers found the sausages high in fat content, while others praised the double smoked bacon and sandwiches. The service, while formal and reserved, was not rude. The restaurant offers a wide selection, from pirogies to strudel, and is child-friendly. The deli stocks hard-to-find European goodies and is great for take-out. Many recommended the house-made sausage and baked goods. Overall, the food quality and variety were commended, but the service was described as formal. Prices were considered reasonable for the offerings. Keep in mind the limited operating hours - 10-6 Mon to Sat.
