A complete [menu](https://menuweb.menu) of Sonny's Drive In from Brampton featuring all 34 dishes and drinks can be found here on the menu. Sonny's, a long-standing burger joint in Brampton, seems to be facing some challenges according to recent reviews. While some customers still enjoy the nostalgic atmosphere and loyal service, others have noted a decline in food quality and portion sizes. The iconic fries with gravy remain a favorite, but there have been complaints about frozen burger meat and high prices. Despite some mixed feedback, Sonny's continues to attract customers with generous portions at affordable prices and a commitment to excellent service. Overall, while there may be room for improvement, Sonny's remains a staple in the Brampton dining scene.
