Here you will find the [menu](#) of Oh Sushi Mura in Kamloops. At the moment, there are **38** meals and drinks on the menu. Oh Sushi in Kamloops offers a mixed dining experience. While some appreciate the diverse menu and quick service, others are disappointed by slow service, lack of attentiveness from staff, and inconsistent food quality. The modern atmosphere is marred by fake plants and high prices, compared to other sushi spots in Whistler. The delicate balance between beautiful presentation and taste is sometimes lost, with tough salmon and unconventional spicy tuna. However, dedicated fans praise the extensive menu options and standout dishes like the Crab Stick Salad. Overall, Oh Sushi has its highs and lows, making it a hit or miss for diners.
