Here you can find the [menu](#) of **Danish Canadian Club** in Calgary. At the moment, there are **39** courses and drinks on the food list. The Mermaid Inn offers a cozy atmosphere but disappoints with poor quality food. A buffet dinner left much to be desired with mediocre selections and bland desserts. On the other hand, the seafood buffet lunch on Fridays receives high praise for variety and quality, especially the shrimp and herring dishes. The Danish Canadian Club's Little Mermaid serves traditional and Canadian fare, satisfying with well-prepared dishes and affordable prices. The brunch buffet impresses with omelet stations and Danish pastries, making it the best brunch spot in Calgary. Overall, authenticity and comfort shine through at this Danish gem in Canada.
