On this site, you will find the **complete menu** of Dick's Fish & Chips from [Campbell River](#). Currently, there are **48** menus and drinks available. Dick's restaurant seems to have generated a variety of opinions from customers. Some have reported having excellent service and delicious food, with quick service and friendly staff. However, other patrons have noted inconsistencies in service quality and the overall dining experience, such as soggy oysters and burnt fries. The restaurant itself has been described as cramped and in need of refurbishment, with some customers suggesting it is better suited for takeout rather than dining in. Despite these mixed reviews, Dick's seems to offer a unique dining experience with dedicated gluten-free options and a cozy atmosphere.
